Mutations

```
    1. changed conditional boundary → KILLED
19  2. Changed increment from 1 to -1 → KILLED
    3. negated conditional → KILLED
23  1. mutated return of Object value for com/hongchuan/app/Graph::getTrace to (
    if (x != null) null else throw new RuntimeException ) → KILLED
45  1. negated conditional → KILLED
56  1. negated conditional → SURVIVED
59  1. negated conditional → SURVIVED
```
